

Great pizza begins with the perfect dough. Our homemade recipe features a New York style crust that is **hand tossed daily**. This results in a softer dough with a light and crispy crust. Fold it like a taco or eat it flat...you won't put it down.

We use **fresh ingredients** from **local farms** to showcase our delicious toppings. Our **house made** red, white, and pesto sauces will tantalize your tastebuds with layers of flavor.

Watch live sports while enjoying a **beer on tap** in our custom logo growler. Relax on the patio with a glass of **local wine** varietals. Kids and adults alike also enjoy our smooth **root beer** crafted by hometown Burwood Brewing Company.
